## What we have been saying

**“Remember: the spirit of Pride is not limited to one month of the year. At PageGroup we celebrate the freedom to be who we are at all times.”**

## Goran Barić, Frankfurt

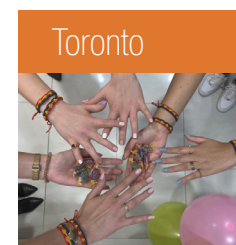

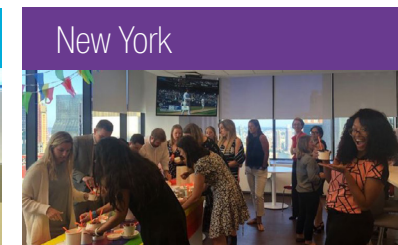

“ Being treated as an equal no matter what my sexual orientation is or whether I was yellow or purple or whatever creed I was, has meant the world to me. ”

## Claire Stuart, Melbourne

“ We seek to provide an environment that allows people to not only be themselves but to be their true self. We know for someone who to be truly happy and therefore be successful at work, they need to be able to express themselves. ”

**Sissi Zheng, Singapore**
